Sponsorship Opportunities

Your sponsorship of events allows us to bring meaningful events to the community and to help spotlight all New Haven has to offer. You can sponsor an individual event or multiple events. Payments can be made by individual check, as you go or all at once. Please check all events you would like to sponsor, or you may select the "one-time annual sponsorship" to designate your own. When your business sponsors an event it is listed in advertising and displayed at the event itself. *Sponsorship money goes directly towards purchasing supplies, advertising, and entertainment such as music or fireworks for the event itself.
